

1894-99. The Large Roman Surcharges.

The special varieties shown on previous pages for the settings issued in 1894 are shown on this page for the two settings issued in 1899. It will be seen that the variations are identical with those in the earlier settings, but now they occur only on the left hand half of the sheet, always six vertical rows to the left of their original position.

1. Att, Setting D.

2. Att, Setting C.
